

# Services

Every soccer organization could do with some administration help from time to time.

E2E Soccer Service Department is here to help you with your administration work.

Our team of experts have many years of experience in soccer administration and will be able to assist you quickly and effectively.

## Club Administration

All clubs could do with a helping hand from time to time with their administration. However you may not have enough work to justify a full time administrator. Our service department can be hired on an as need basis to help you out at the busy times of the year.

Whether its data entry for AIMS, organizing your pre season exhibition games or something new such as setting up and managing your clubs Facebook account, we can help so you can focus on what you do best, getting ready for the next soccer game

## League Administration

It's not unusual for a league to find itself exposed to the arduous task of running a league. Attrition of a key administrator or a recent reorganization may have left you without the expertise you need in operating you league efficiently.

Our service team has many years experience in administering soccer leagues, for both the indoor and outdoor season.

We have both the knowledge and the skills that your league needs to operate successfully.

We can offer you a series of services in league administration. You can then decide which tasks you can do in house and which ones you can outsource to us.

## Referee Assignment

Whether it's for your tournament or your league, you are going to need help assigning referees to your games.

If you are struggling to find a reliable referee assigner, talk to us. Our team has many years experience in getting games covered with the appropriate game officials.

We will make sure that your games are allocated fairly and in good time. We can also resolve some of your referee shortages through assigning referees efficiently so all of your available referee pool is utilized.

Tournaments in particular offer challenges that you may not be used to with referee assignment. Why have the worry of referee assignment for your tournament when there are so many other things to be concerned with on your big weekend. Let us take that worry away from you.

## Schedule Generation

Every club and league struggle when they generate their schedules.

For competitive leagues you have to be concerned with black out dates for teams, and teams from different divisions sharing a home field. Generating a schedule for this league is no easy task and it can takes many hours of hard work under a very tight deadline.

Our service team has the experience needed to generate a fair schedule for you in a timely manner.

House leagues also have challenges with schedule generation. In this case it's working out how to allocate all their best fields fairly so that one team doesn't benefit more than another.

We can provide your house league a schedule that everyone can be pleased with.

## Graphic Design

Whether it's for a new club logo or a design for your Tournament T Shirts we have in house expertise to provide you with a design you can be proud of.

Our graphic designer has experience in all aspects of design that a soccer organization would require.

## General Administration

From time to time you will need an extra pair of hands for a few hours each month. Now you don't need to hire a stranger to the world of soccer. Instead one of our experiences soccer administrators can be hired on contract to assist you.
